

The For All Healthy Living Company

Vision, Core Values and Core Work

Vision

The For All Healthy Living Company is a not for profit organisation which aims to sustain and develop the wellbeing of people in South Ward, Weston-super-Mare, and to demonstrate the value of working in partnership with the local community.

Core Values

We believe that:

- Wellbeing spans health, achievement, security, a sense of connection, belonging and the confidence to manage change.
- Valuing and respecting people increases potential for wellbeing
- A partnership of local people, statutory, voluntary and community sector organisations is best
- Organisations and people can always learn more and develop

Core Work

To achieve this we will:

- Work with the local community through information, consultation, shared management and advocacy;
- Manage a welcoming, accessible Centre;
- Add value to existing services by encouraging joint working between partners;
- Develop additional facilities, activities and services which promote the wellbeing of local residents;
- Review and evaluate the work of the company.
